## **Welcome to Atlanta!**

Atlanta is home to world-class restaurants and an abundance of diverse cultural attractions and events, a festive nightlife and six professional sports teams, our city is the epicenter for arts and entertainment in the South. More than 18 million visitors arrive each year to experience all that Atlanta has to offer. With all of the excitement surrounding your trip to our city, we do want to remind you of some traveler safety tips that should be followed during your stay.

## **Public Safety:**

- Do not answer the door in a hotel or motel room without verifying who it is. If a person claims to be an employee, call the front desk and ask if someone from their staff is supposed to have access to your room and for what purpose.
- When returning to your hotel or motel late in the evening, use the main entrance of the hotel. Be observant and look around before entering parking lots.
- Close the door securely once you enter your room and use all of the locking devices provided.
- Do not needlessly display guestroom keys or convention badges in public.
- Do not draw attention to yourself by displaying large amounts of cash or expensive jewelry.
- Do not invite strangers to your room.
- Place all valuables in the hotel or motel's safe deposit box.
- Do not leave valuables in your vehicle.
- Check to see that any sliding glass doors or windows and any connecting room doors are locked.
- If you see any suspicious activity, please report your observations to the management.
- When walking always project a confident image; walk with a purpose.
- Stick to well lit, busy areas.
