

# There are two ways to look at insurance claims management and costs...

**Cumbersome.**

**Awesome.**

**The InsurCard Prepaid Card** is the safe, convenient way to pay insurance claims.

**Reduces the cost of paying claims** and boosts fraud protection.

**Reloadable for multiple payments** and added savings.

**More convenient for claimants.** Provides immediate access to benefits without paying check cashing fees. And it may be used wherever Visa® debit cards are accepted.

**Designed by insurance professionals** in conjunction with the third largest issuer of prepaid card accounts, The Bancorp Bank. Complies with state and federal regulations. It's easy to implement and fully customizable.
