

**The InsurCard Visa® Prepaid Card** is the safe, cost-effective way to pay property claims, on the spot, in the field.

**Fast response, immediate access.** Cards are ready-to-go so funds can be dispersed rapidly. Adjusters can give policyholders payments for emergency repairs and immediate cash needs.

**Safe and secure.** Cards have no value until authorized by the insurer. And unlike checks, funds are protected against card damage, loss, or theft\*.

**More convenient for policyholders.** Provides immediate access to payments without check cashing fees or delays for check clearance. Cards can be used wherever Visa debit cards are accepted.

**Easy to implement.** Designed by insurance professionals and issued by The Bancorp Bank, the third largest issuer of prepaid card accounts in the U.S., the InsurCard program can be working for your company in just a few weeks.
