Additional benefits will be outlined in the specific sponsorship package selected. Benefits are only extended if you are a paid sponsor at the specific event. Above benefits are not applicable to NAMIC’s CEO Roundtable event or other specialty events.

*For more information on how membership dues are included within sponsorship levels, please see the details within the “As you plan your sponsorship” information.
Annual Convention:
As one of the largest gatherings of property/casualty insurance executives in the country, the NAMIC Annual Convention is “The Place Where the Industry Comes Together.” With unique sponsorship options, industry vendors have the chance to reach an influential audience of the top property/casualty and farm mutual insurance company leaders.

NAMIC AT A GLANCE
1,400 property/casualty insurance company members
46 percent of the auto insurance market
59 percent of the homeowners insurance market
29 percent of the business insurance market
$268 billion in premiums
As you plan your sponsorship, please be aware:

**Agreement Exists**
Once you tell us to move forward with your sponsorship, the items included in the sponsorship are considered sold to your company and an agreement exists between NAMIC and your company. The items within the agreement are removed from sale and NAMIC is working toward fulfilling the agreement. Sponsorship packages are not subject to cancelling. Your sponsorship agreement will require a signature before benefits are provided.

**Registration**
Sponsorships do not include registration to the sponsored event. You are encouraged to attend as a sponsor and must register in advance of the event. As a sponsor, you are eligible to register for sponsored events at the sponsor rate.

**Invoicing and Payment**
The invoice generated from sponsorship agreement is due upon receipt. NAMIC reserves the right to delay fulfilling the promises within the sponsorship agreement, which includes access to attendee lists, until full payment is received. Partial payment of a sponsorship invoice may affect access to benefits. Please pay using a credit card or ACH for seamless access to benefits. Please note that sponsorships purchased within 30 days of an event, will require payment within three business days.

**Logo and Brand Standards**
We will request logo files in native vector format and brand standards. Files provided outside of this standard may suffer in quality. If your sponsorship includes printing of your logo, we adhere to brand standards, if they are provided. When printing color logos, your logo may appear slightly darker or lighter than the original file due to the variations in printing machinery. Please note that NAMIC will confirm logo files with the sponsorship contact and, to help streamline your sponsorship experience, we reserve the right to use your logo without individual review and approval.

**Membership Dues within Total Investment Level**
When a sponsor is a separately named division or a specific business unit of a primary carrier NAMIC member, the dues included in total investment will be equivalent to the dues that division/unit would pay if joining separately (i.e. market membership dues for vendor companies and an average of reinsurer/broker dues for those categories). The totality of primary carrier membership dues is not counted within the total investment because the primary carrier does not benefit in the commercial aspect of NAMIC’s sponsorship levels.

In-kind sponsorships are defined as a sponsor providing a product/service to NAMIC that offsets a budgeted expense and will be counted towards the sponsorship level calculation, unless decided on a case-by-case basis. Complimentary sponsorship/advertising is defined as NAMIC providing complimentary sponsorship(s) or advertising to a company to encourage engagement with NAMIC and will not count towards the sponsorship level, unless decided on a case-by-case basis. Companies entering into in-kind or complimentary agreements with NAMIC should discuss their sponsorship level and benefits provided at specific events if it is of importance to the sponsor.

**Sponsorship Details**
The details of your sponsorship are provided within the prospectus and/or individual proposal presented to you. Those details will be outlined within a sponsorship fulfillment email sent to your sponsorship contact. Sponsoring companies are not able to direct the details of the sponsorship, such as the specifics on the signage, the agenda, or other aspects associated with the sponsored item.
