Additional benefits will be outlined in the specific sponsorship package selected. Benefits are only extended if you are a paid sponsor at the specific event. Above benefits are not applicable to NAMIC’s CEO Roundtable event or other specialty events.

*For more information on how membership dues are included within sponsorship levels, please see the details within the “As you plan your sponsorship” information.*
NAMIC Products and Services

NAMIC offers an array of products and services that attract senior-level mutual property/casualty insurance industry professionals because of their educational and operational benefits. These same products and services offer unique opportunities for sponsors to align their brands with NAMIC while also extending their brand influence.

As you plan your sponsorship, please be aware:

Agreement Exists
Once you tell us to move forward with your sponsorship, the items included in the sponsorship are considered sold to your company and an agreement exists between NAMIC and your company. The items within the agreement are removed from sale and NAMIC is working toward fulfilling the agreement. Sponsorship packages are not subject to cancelling. Your sponsorship agreement will require a signature before benefits are provided.

Registration
Sponsorships do not include registration to the sponsored event. You are encouraged to attend as a sponsor and must register in advance of the event. As a sponsor, you are eligible to register for sponsored events at the sponsor rate.

Invoicing and Payment
The invoice generated from sponsorship agreement is due upon receipt. NAMIC reserves the right to delay fulfilling the promises within the sponsorship agreement, which includes access to attendee lists, until full payment is received. Partial payment of a sponsorship invoice may affect access to benefits. Please pay using a credit card or ACH for seamless access to benefits. Please note that sponsorships purchased within 30 days of an event, will require payment within three business days.

Logo and Brand Standards
We will request logo files in native vector format and brand standards. Files provided outside of this standard may suffer in quality. If your sponsorship includes printing of your logo, we adhere to brand standards, if they are provided. When printing color logos, your logo may appear slightly darker or lighter than the original file due to the variations in printing machinery. Please note that NAMIC will confirm logo files with the sponsorship contact and, to help streamline your sponsorship experience, we reserve the right to use your logo without individual review and approval.

Membership Dues within Total Investment Level
When a sponsor is a separately named division or a specific business unit of a primary carrier NAMIC member, the dues included in total investment will be equivalent to the dues that division/unit would pay if joining separately (i.e. market membership dues for vendor companies and an average of reinsurer/broker dues for those categories). The totality of primary carrier membership dues is not counted within the total investment because the primary carrier does not benefit in the commercial aspect of NAMIC’s sponsorship levels.

In-kind sponsorships are defined as a sponsor providing a product/service to NAMIC that offsets a budgeted expense and will be counted towards the sponsorship level calculation, unless decided on a case-by-case basis. Complimentary sponsorship/advertising is defined as NAMIC providing complimentary sponsorship(s)
Sponsorship Details
The details of your sponsorship are provided within the prospectus and/or individual proposal presented to you. Those details will be outlined within a sponsorship fulfillment email sent to your sponsorship contact. Sponsoring companies are not able to direct the details of the sponsorship, such as the specifics on the signage, the agenda, or other aspects associated with the sponsored item.

**NAMIC Benchmarking Surveys**

NAMIC's benchmarking surveys deliver peer-to-peer analysis for member companies on compensation, executive pay practices, board governance, company operations, claims productivity, and more. These surveys are heavily marketed to members and often include executive summaries or webinars, providing sponsors a variety of opportunities to engage with members and promote their brands throughout the year.

### 2021 Executive Pay Practices Study Sponsor

**$5,000**

The Executive Pay Practices Study, produced in partnership with McLagan, a part of Aon Hewitt, provides extensive data regarding organizational structure, compensation planning, incentive compensation design, and additional benefits offered to executives. The study targets property/casualty companies and offers pay practices on a wide variety of C-level and senior positions. **To enjoy the full benefits of this marketing opportunity, sponsors should commit by November 2020, as promotion for this initiative will begin in December 2020.**

- Logo recognition on the study webpage on NAMIC.org with a hyperlink to a webpage of the sponsor's choosing
- Logo and/or company name included on promotions to members promoting participation and announcing the results
- Logo and/or company name included on direct-mail postcard sent to NAMIC members (must sign before December 2020)
- Logo and/or company name included in the report and any summaries provided by Aon/McLagan
- Opportunity to include a full-page ad in the executive summary
- Complimentary non-customized report for internal usage and analysis
- Opportunity to participate in two NAMIC 411 webinars* for members. The first webinar previews the study (must sign before December 2020), and the second will cover the results of the survey in 2021. This opportunity will allow a speaker to provide a thought-leadership presentation as part of the webinar.

*NAMIC 411 webinars are live, interactive, online events that provide members a comprehensive overview of new and existing NAMIC products and services.
